

12000 Cleaner™ TECHNICAL DATA

Water-based, Hard Surface Degreaser

Tire Mark Remover
Heavy Oil Remover
Baked on and Caked Grease Remover
Cosmoline™ Remover

| | |
|------------------------------|---|
| STANDARD PRODUCT DESCRIPTION | 12000 Cleaner™ is an aqueous-based, hard surface degreaser. It is designed to be used for the removal of forklift tire marks and other hard to remove soils. It can be used on a variety of soils and stains ranging from baked on and caked grease, inks, paint overspray, greases, heavy oils, cosmoline, and a vast range of similar soil loads. |
| FEATURES AND BENEFITS | Pre-diluted, ready to use Low Odor Water-based Low V.O.C. Non-Hazardous Easy clean up with water Not regulated for ground transportation/storage |
| APPLICATION | Squirt a liberal amount of 12000 Cleaner on the soil to be removed. Let the product sit for a minute. Use an abrasive pad or brush to agitate the area. Once the soil is loosened, wipe up with a cloth or rag. WARNING: Test in an inconspicuous area before using on epoxy coated, painted or sealed floors. |
| CAUTIONS | The use of gloves is recommended. Avoid prolonged eye or skin contact. Avoid breathing vapors. Do not swallow. Washing hands thoroughly after handling. Store in a cool, dry area. Keep out of direct sunlight. Do not store near flames or other heat sources. Keep containers tightly closed. This product is sold without warranty as to performance expressed or implied. Users are urged to make their own tests to determine the suitability for their particular conditions. READ MSDS. |
| TRANSPORT | Nonregulated by USDOT, IATA & IMO. |

SAFETY: This is a hazardous material if misused. Read and understand the Material Safety Data Sheet (MSDS) before use.

WARRANTY DISCLAIMER: The technical data given herein has been compiled for your help and guidance and is based upon our experience and knowledge.
