

# MATERIAL SAFETY DATA SHEET

## 1. Product Information

Product Name: EZ Thick      Chemical Family: N/A      Product Code: 729

## 2. Composition/Information on Ingredients

Chemical Name	CAS Number	Percent	Exposure Limits	
			ACGIH TLV-TWA	OSHA PEL
Powdered Cellulose	9004-34-6	100%	10mg/m3	15 mg/m3
Total Dust Respirable				5 mg/m3

## 3. Health Hazards

**Eye Contact:** May cause irritation and swelling.  
**Ingestion:** May cause irritation or allergic reaction

**Skin Contact:** None known  
**Other:**

**Inhalation:** May cause irritation and congestion

## 4. First Aid Measures

**Eyes:** Flush eyes thoroughly with water for at least 15 minutes while holding eyelids open. Seek medical attention.      **Skin:** Remove contaminated clothing. Wipe excess from skin and wash the affected area thoroughly with soap and water. Wash contaminated clothing thoroughly before reuse.

**Inhalation:** Remove to fresh air, and provide oxygen or artificial respiration if needed. Obtain medical attention; symptoms can be delayed up to several hours.  
**Ingestion:** DO NOT induce vomiting. Give 1-2 cups of water or milk unless the person is drowsy, convulsing, or unconscious. Get medical attention.

## 5. Fire Fighting Measures

**Flammable Properties:**      **Flash Point:**      **Explosive Limits:** Burns like wood      **Hazardous Decomposition Products:** CO and NO<sub>x</sub> typical of wood smoke  
**Extinguishing Media and Fire Fighting Instructions:** When sufficiently large quantities are present, firefighters should be equipped with full bunker gear, including a positive pressure, NIOSH approved, self-contained breathing apparatus. Extreme heat or water contamination may cause closed containers to explode.  
**Extinguishing Media:** Water, dry chemical, or appropriate foam

## 6. Accidental Release Measures

Sweep up with broom and shovel and dispose of following all state, federal and local ordinances.

## 7. Handling and Storage

No special hazards

## 8. Exposure Control and Personal Protection

**Engineering/Ventilation Controls:** Effective engineering controls should be used whenever possible to eliminate and/or reduce worker exposure to all respiratory hazards. General ventilation, local ventilation, or isolation may prove adequate to keep airborne concentrations below exposure limits.

**Respiratory Protection:** If exposure limits are exceeded and local ventilation is unavailable, a supplied-air respirator or a self-contained breathing apparatus is required.  
**Skin Protection:** Optional      **Eye Protection:** Chemical Splash goggles or safety glasses with side shields should be worn as appropriate.

## 9. Stability and Reactivity

**Chemical Stability:** Stable under normal conditions and use.  
**Hazardous Polymerization:** Will not occur.

**Conditions and Materials to Avoid:** None except open flame.

## 10. Physical and Chemical Properties

**Appearance/Odor:** White powder, odorless  
**Specific Gravity:** 1.27-1.61  
**Boiling Point:** Not determined  
**Solubility in Water:** Insoluble  
**Vapor Pressure (mm Hg):** N/A  
**Vapor Density (air=1):**

## 11. Toxicological Information

None known

## 12. Disposal Considerations

If uncontaminated, approved for disposal as a non-hazardous material in accordance with federal, state and local regulations. If contaminated, the user must assess the proper disposal for the material appropriate for the contamination.

## 13. Transportation Information and Regulatory Information

**DOT/IATA Proper Shipping Name:** Not Regulated.

## 14. Regulatory Information

**TSCA:** The chemical components of this product are included in the TSCA Chemical Substance Inventory, as required.      SARA TITLE III: Section 313 - Toxic Chemicals: None      Section 311/312 - Hazard Categories: Fire Hazard: No      Reactivity Hazard: No      Sudden Release of Pressure Hazard: No  
Immediate (Acute) Health Hazard: No      Delayed (Chronic) Health Hazard: No.      NFPA Hazards: Health - 0, Flammability - 0, Reactivity - 0      HMIS Hazards: Health - 0, Flammability - 0, Reactivity - 0
